

Once-a-day Workshop

Presentations

- Background of once-a-day (OAD) milking and information about successful OAD farms
Colin Holmes, Emeritus Professor, Massey University
- Effect of nutrition on production in whole or part season OAD systems
Claire Phyn (DairyNZ scientist)
- Farmer panel – exploring the range of opportunities for OAD systems
 - Graeme and Joanne Carter
 - Lyna Beehre
 - Chris Lethbridge

Field visit

From OAD to twice-a-day and back again – learn from the experience of a local farmer.

There will also be an opportunity to discuss how DairyNZ can best support OAD farmers in Northland.

Lunch and afternoon tea provided (sponsored by Ballance Agri-Nutrients)

When:	10.30 am - 4pm, Tuesday 14th February
Where:	DairyNZ Northland Regional Office 259 Jordan Valley Rd, Hikurangi S/N 17603
RSVP:	By Friday 10th February email: abbey.cameron@dairynz.co.nz phone: 09 433 7527

Thank you to SMASH's sponsors:
